Ear Training Temperament Exercise

Listen to the M3's and the P4's on the Temperament Report page* and try to draw the relative speeds of each of the intervals using the blank graphs provided.

*http://howtotunepianos.com/score-your-temperament/)

Use the graphs to fill in the blank analysis table below and compare to the one posted at howtotunepianos.com

| | Major Thirds | | | Perfect Fourths | | | |
|----|--------------|------------------------|------------------------|-----------------|-------|------------------------|------------------------|
| M3 | Issue | 1st Possible Reason | 2nd Possible Reason | P4 | Issue | 1st Possible Reason | 2nd Possible Reason |
| | | | | | | | |
| | | | | | | | |
